Classical music is art music produced or rooted in the traditions of Western culture, including both liturgical (religious) and secular music. While a more precise term is also used to refer to the period from 1750 to 1820 (the Classical period), this article is about the broad span of time from before the 6th century AD to the present day, which includes the Classical period and various other ...

### **LPsalg â€“ Privat salg af LP'er, CD'er og kassetter.**

Classical crossover broadly encompasses both classical music that has become popularized and a wide variety of popular music forms performed in a classical manner or by classical artists. It can also refer to collaborations between classical and popular performers, as well as music that blends elements of classical music (including operatic and symphonic) with popular music (including pop ...
