UFO: Aftermath is a 2003 turn-based strategy game created by ALTAR Interactive. Originally, it was an abortive project (The Dreamland Chronicles: Freedom Ridge) by Mythos Games. In 2002, the project was bought by ALTAR and development restarted. It is a homage to the X-COM game series. ALTAR Interactive has released two sequels: UFO: Aftershock (2005) and UFO: Afterlight (2007).
