Alpha Phi Alpha Fraternity, Inc. (ΑΦΑ) is the first African-American, intercollegiate Greek-lettered fraternity. It was initially a literary and social studies club organized in the 1905–1906 school year at Cornell University but later evolved into a fraternity with a founding date of December 4, 1906, at Cornell. It employs an icon from Ancient Egypt, the Great Sphinx of Giza, as its symbol.

In my time spent in the manosphere I've been asked on more than one occasion what I thought about the concept of the Alpha Female. For a time I was resistant to the idea, not because I didn't allow for the possibility that certain women were predisposed to being Type A personalities and given to the same desire for power and control that men predominantly have, but rather due to the way ...

The World Health Organization (WHO) has come out with new guidelines that advise all homosexual men without HIV to take anti-HIV drugs to prevent themselves from becoming infected. This policy has presumably come about because HIV prevention education has not gotten through to homosexual men who continue to practice unsafe anal sex with dozens of new partners a year.

Beta male, or simply beta, is a term derived from the designation for beta animals in ethology. The term has been frequently used in the manosphere, as is its counterpart, "alpha male", designating males that are not beta. The term has been used to describe men who are associated with feminism or men who are not assertive, particularly with women.

The over-the-top gentle and careful approach with girls, in turn, makes you appear extremely boring and ultra-beta, especially to the girls who have personality and a sense of humor. They want to spend time with a guy who has a backbone, can be both funny and stimulating, and can dish out dark humor and sarcasm.
