Oracle acquired Sun Microsystems in 2010, and since that time Oracle's hardware and software engineers have worked side-by-side to build fully integrated systems and optimized solutions designed to achieve performance levels that are unmatched in the industry. Early examples include the Oracle Exadata Database Machine X2-8, and the first Oracle Exalogic Elastic Cloud, both introduced in late 2010.

RCI, Defined. We believe that live, instructor-led, classroom training is the most effective way to learn "after all, that's how we've been delivering training since 1983. However, as the demand for training has declined and as travel budgets have been reduced, training companies have found it increasingly difficult to get enough students in a single classroom to run a traditional class.
