In the long-running BBC television science fiction programme Doctor Who and related works, the term "companion" refers to a character who travels with, or shares the adventures of the Doctor. In most Doctor Who stories, the primary companion acts as an audience surrogate. They provide the lens through which the viewer is introduced to the series. The companion character often furthers the story ...

Sky Dancers is the name of a line of toys and an animated show spin-off that were popular in the mid-1990s. The toys were constructed of a pull-string base and a doll with foam wings. When the doll was inserted into the base and the string pulled, the doll would launch into the air, spinning its wings like a propeller as it flew.
