Such managerial accounting information tends to be focused on products, departments, and activities. In this context, the management process is intended to be a broad reference to encompass marketing, finance, and other disciplines. Simply stated: managerial

Managerial and Cost Accounting - library.ku.ac.ke

The emphasis of Managerial Accounting, 10th edition is on teaching students to use accounting information to best manage an organization. In a practice Hilton pioneered in the first edition, each chapter is written around a realistic business or focus company that guides the reader through the topics of that chapter.
