When a company needs a supervisor for a team, senior leaders often anoint the team's most productive performer. Some of these stars succeed in their new role as manager; many others do not.

Why the Most Productive People Don't Always Make the Best

Dr. Berger's article outlines the subject of employee/organizational communication, describing its importance and basic internal communication processes, networks and channels.

Origin. The Gartner Group first used the abbreviation ERP in the 1990s to extend upon the capabilities of material requirements planning (MRP), and the later manufacturing resource planning (MRP II), as well as computer-integrated manufacturing. Without replacing these terms, ERP came to represent a larger whole that reflected the evolution of application integration beyond manufacturing.
