To actually use a placed bed, night must actually have started. If it isn't night time, the player will receive a written warning from the game that beds can only be used during night. The player must also be close to the bed and no monsters (other than the smallest size of slimes ) may be near the player for them to use it.

As Minecraft is a sandbox game, there is no defined or proper way and style to play the game. However, in Survival mode one common theme found for all players is the need to feed yourself, and to avoid (and later, fight) hostile mobs that spawn either in dark places (e.g. caves) or when night falls.
