Literature and Links . This is an overview on literature about model ship building and specific plans for some ships. There are two outstanding books I would recommend for beginners (and for advanced builders as reference work):

Literature and links, museums, historic ships and replicas

The only comprehensive listing of early map image sites. The monthly additions are indicated thus, e.g. {March 2002} at the end of the entry. Since the symbols { } are not used elsewhere, you can search on those elements [enter Ctrl+F]; e.g. 2002} will find entries added at any time in that year)
