Yup, community college is a great route. There is actually a great shortage in trained machinists right now. My old roommate went to her 35th high school reunion and found that a girl that went to ...

3 Reasons Not to Save for Your Child's College Fund

In linguistics, a compound is a lexeme (less precisely, a word) that consists of more than one stem. Compounding, composition or nominal composition is the process of word formation that creates compound lexemes. That is, in familiar terms, compounding occurs when two or more words are joined to make one longer word. The meaning of the compound may be similar to or different from the meanings ...
