How To Spot Bullshit Business Books. ... An industry of books. There are some great books on business out there. And the good ones are easy to recognise. Theyâ€™re well written, well thought out ...

How To Spot Bullshit Business Books. â€œ The Mission â€œ Medium

This book consolidated a lot of the business ideas that I needed to keep in mind to make my career easier to

manage and plan for. I've been a fan of Geoffrey James articles at Inc.com for some time now and I only wish I read the book last year and not put it off.

The Business Bullshit Book: The World's Most Comprehensive Dictionary - amazon.com

Leadership Bullshit you say? Translated review by Patrick Vermeren, Monday October 12 2015. ... Jeffrey Pfeffer, professor at the Stanford Graduate School of Business doesn't shy hard words. He seems to be a fan of the belief that "desperate diseases must have desperate ... This book is a must read, because it offers a breath of fresh ...

Leadership Bullshit you say? - Evidence Based HRM

This book is not only for "business" people. It is for everyone. It will help you with communication, time-management, effectiveness, managing your boss, and many other aspects of your life that determine if you are happy or not. This book is about how to be the best employee or boss you can.

Business Without the Bullsh*t: 49 Secrets and Shortcuts

The book looks at how organizations have become vast machines for manufacturing, distributing and consuming bullshit. It follows how the meaningless language of management has spread through schools, NGOs, politics and the media. Business Bullshit shows you how to spot business bullshit, considers why it is so popular, and outlines the impact ...
