Legal writing involves the analysis of fact patterns and presentation of arguments in documents such as legal memoranda and briefs. One form of legal writing involves drafting a balanced analysis of a legal problem or issue. Another form of legal writing is persuasive, and advocates in favor of a legal position.

Legal writing - Wikipedia

Readability is the ease with which a reader can understand a written text. In natural language, the readability of text depends on its content (the complexity of its vocabulary and syntax) and its presentation (such as typographic aspects like font size, line height, and line length). Researchers have used various factors to measure readability, such as ...
