## **Documentary History of - Constitution Society**

The United States Constitution is the supreme law of the United States. The Constitution, originally comprising seven articles, delineates the national frame of government. Its first three articles embody the doctrine of the separation of powers, whereby the federal government is divided into three branches: the legislative, consisting of the bicameral Congress (Article One); the executive ...

The history of Hamburg begins with its foundation in the 9th century as a mission settlement to convert the Saxons. Since the Middle Ages, Hamburg was an important trading center in Europe. The convenient location of the port and its independence as a city and state for centuries strengthened this position.. The city was member in the medieval Hanseatic trading league and a free imperial city ...
