The Monk Who Sold His Ferrari Summary - Robin Sharma

The Monk: A Romance is a Gothic novel by Matthew Gregory Lewis, published in 1796. A quickly written book from early in Lewis's career, it was published before he turned twenty. It is a prime example of the male Gothic that specialises in the aspect of horror. Its convoluted and scandalous plot has made it one of the most important Gothic novels of its time, often imitated and adapted for the stage and the screen.
