The Three Little Pigs is a fable about three pigs who build three houses of different materials. A Big Bad Wolf blows down the first two pigs' houses, made of straw and sticks respectively, but is unable to destroy the third pig's house, made of bricks. Printed versions date back to the 1840s, but the story itself is thought to be much older. The phrases used in the story, and the various ...

Overview. The group intended Magazine to be the official follow-up album to the debut Dreamboat Annie. However, a contract dispute with their label, Mushroom Records, resulted in the group signing with the newly formed Portrait Records, a division of CBS Records (now Sony/BMG). The Mushroom contract called for two albums and the label took the position that they were owed a second one.
