

the littles and the pdf

The Littles is an animated television series originally produced between 1983 and 1985. It is based on the characters from The Littles, a series of children's novels by American author John Peterson, the first of which was published in 1967. The series was produced for the American broadcast network ABC by the French/American studio DiC Audiovisuel, with the animation production outsourced ...

Emergent Reader: I also created an emergent reader for this book using the DLTK graphics. I changed the formatting somewhat from the original Brown Bear book. Instead of having the text where the reader had to memorize what was on the next page, I moved the text to where it was on the same page as the picture so that the reader could use the picture cues to support the text.
