We are uncovering better ways of developing software by doing it and helping others do it. Through this work we have come to value: Individuals and interactions over processes and tools Working software over comprehensive documentation Customer collaboration over contract negotiation Responding to change over following a plan. That is, while there is value in the items on

SCUM Manifesto is a radical feminist manifesto by Valerie Solanas, published in 1967. It argues that men have ruined the world, and that it is up to women to fix it. To achieve this goal, it suggests the formation of SCUM, an organization dedicated to overthrowing society and eliminating the male sex. The Manifesto is widely regarded as satirical, but based on legitimate philosophical and ...
