The Moral Case for Fossil Fuels - Ebook pdf and epub

This chapter considers the question of whether there is a moral imperative to pursue disease eradication once we have the means to achieve it. It examines three arguments that support the case for ...

The Moral Case for Eradication | Request PDF

However, I was – like most students – exposed to endless proselytizing about how fossil fuels were causing climate catastrophe. I wrote The Moral Case for Fossil Fuels to be the book I wish I had gotten as a student – a book that uses primary sources, big-picture thinking, and clear explanations to help us make the right energy choices going forward.

against moral negatives. I believe this thinking is seriously, in some circumstances dangerously, incomplete. The value of a rising standard of living lies not just in the concrete improvements it brings to how individuals live but in how it shapes the social, political, and ultimately the moral character of a people.
