Professor's notes about this proposal. One problem with it is it is written more like a letter than an
academic document. This person had to take out the first person. It should not read like "I thought this
and I wonder about that" I include this proposal as an example because it has nice theory, significance,
and method sections.

Practice makes perfect, but can a fake romance lead to real love? Liza Sutherland isn't looking for love.
Not from a charity-auction date she didn't even bid on and especially not with Nationals first baseman
Cole Collins, the guy she obsessed over as an awkward teenager.
