1) Extemporaneous Speaking. Before the class meets, I type individual topics on small pieces of paper. When the students arrive, each one picks up a slip of paper. I give each student two minutes to organize his thoughts and two minutes to speak. After a student speaks, members of the class ask him two or three questions. 2) Colored Slides.

The Conversation Class - American English

DeAndre Watley Medical Terminology Week 1 Discussion Part One: Using the directional terms in the table from your textbook, describe how you, or someone close by you, is sitting or standing. Include at least 5 of the terms describing body positioning and movement. Then describe the opposite (for example, if you said your foot was plantar flexed, use dorsiflexed) for all of the terms you used ...
