For the purpose of this article, I will define the 'mind seduction of others' as the ability to erotically or sexually arouse another person using only the silent power of your mind. When you apply these techniques on someone, that person will feel deeply drawn to you over time, with heavy feelings on the sexual.

Mental telepathy stems usually from the throat area and a little from the heart ... and a tad from the solar plexus area. When you are practicing your seduction techniques, the throat area is where your thoughts mainly travel out from. At first, those thoughts will mainly hit the person in the solar plexus area.

Frankly, yes, it is. Like all other Mind Control techniques, Fractionation is as manipulative as it gets. Then again, all seduction is manipulation " you're manipulating a woman in order to develop feelings

for you.

The book contains stories of seduction in the public workplace and the impacts on our private emotions. In marriage, families and committed partnerships, we display our emotions more freely than at work. Learning to cope with them often leads to the most durable and meaningful relationships in our lives.
